**ORDER**

The next Case Management Conference (“CMC”) will be held in New York City, New York at 10:00 a.m. ET on October 24, 2025, at 60 Centre Street, Room 218, New York, New York 10007. This change is being made so that the MDL, Delaware, and New York courts can jointly address matters common to all Depo-Provera cases, state and federal, in a manner that promotes efficient case management and judicial coordination.

To that end, Plaintiffs’ Leadership and Defense counsel in the MDL are directed to meet and confer, remotely or in-person, with Depo-Provera counsel in Delaware and New York, and file a joint proposed agenda letter on the MDL’s main docket by October 20, 2025 at 12:00 p.m. CT. The Parties should organize the agenda so that it includes a joint section with any items common to all three jurisdictions, followed by separate sections pertaining to each individually. The joint proposed agenda letter should be submitted to the Delaware and New York

courts in the manner directed by those judges.<sup>1</sup>

**SO ORDERED**, on this 8th day of October, 2025.
