Case No. 2:26-ml-03181-JLS-E

**PRETRIAL ORDER NO. 4: DIRECT  
FILING ORDER**

1 Having considered the Preliminary Report of the parties, as discussed at the  
2 initial conference on August 5, 2026, and pursuant to their agreement and in order  
3 to eliminate delays associated with the transfer to this Court of actions filed in or  
4 removed to other federal district courts and to otherwise promote efficiency, the  
5 Court hereby ORDERS as follows:

6 **I. DIRECT FILING OF CASES INTO MDL NO. 3181**

7 Pursuant to 28 U.S.C. §1407 and the Transfer Order dated June 5, 2026 of the  
8 Judicial Panel on Multidistrict Litigation (“Transfer Order”), any Plaintiff whose  
9 action would otherwise be subject to transfer to MDL No. 3181 under the Transfer  
10 Order may hereinafter file his or her complaint directly in the Central District of  
11 California, and should identify the case as a member case to Case No. 2:26-md-  
12 3181-JLS. All complaints shall be filed on behalf of a single plaintiff only; no multi-  
13 plaintiff complaints shall be permitted.

14 Any plaintiff who files a complaint in accordance with this Order prior to the  
15 Court’s approval of the short form complaint must also comply with any future order  
16 regarding the filing of short form complaints.

17 Defendants’ obligation to answer, move, or otherwise respond to any  
18 complaints in this MDL, including direct-filed complaints, continues to be stayed  
19 pending further Court order, and all objections and affirmative defenses as to any  
20 direct-filed complaints or cases previously transferred into this MDL are preserved.

21 **II. VENUE**

22 Defendants agree that they will not assert any objection of improper venue  
23 pursuant to Fed. R. Civ. P. 12(b)(3) with regard to pretrial proceedings in this District  
24 as to any direct-filed cases. Defendants reserve the right pursuant to 28 U.S. Code  
25 §§ 1391 and 1406(a) to oppose and object to any improper venue proposed for trial.  
26 For further clarity and consistency with the Transfer Order, each action directly filed  
27 in this MDL and originating from another federal district has been so filed in this  
28

MDL solely for pretrial proceedings. The parties have not waived their rights to transfer any action in this MDL to a court of proper venue under 28 U.S. Code §§ 1391 and 1406(a) and *Lexecon Inc. v. Milberg Weiss Bershad Hynes & Lerach*, 523 U.S. 26 (1998), upon completion of pretrial proceedings.

The inclusion of any direct-filed action in MDL 3181 shall not constitute a determination by this Court that venue is proper for purposes of trial in this District or any specific other district. Likewise, nothing in this Order shall be construed as a waiver of personal jurisdiction by any named Defendant, served or unserved.

### III. DIRECT-FILED CASES SUBJECT TO COURT ORDERS

Any case direct-filed into the MDL pursuant to this Order shall be subject to the provisions of all prior and subsequent orders of the Court.

### IV. PRESUMPTIVE DESIGNATED FORUM

The complaint in each case filed directly in this District as a member case of the MDL should include a statement indicating that it is being filed in accordance with this Pretrial Order No. 3 and **shall include a designation of the venue which shall be the presumptive place of remand** absent an agreement otherwise among the parties or a determination by the Court that the place of remand should be elsewhere based upon good cause.

At the completion of all pretrial proceedings in an action direct-filed in this Court pursuant to this Order and upon a determination that the action is ripe for remand for the purpose of conducting trial proceedings, the Court will resolve any venue challenges, objections, or disputes. This Court will then transfer the action to that federal district court having proper venue as defined by 28 U.S.C. § 1391. Defendants reserve and do not waive any objection or affirmative defense of improper venue and/or lack of personal jurisdiction as to plaintiffs' designation. The inclusion of any action in this MDL, whether filed originally or directly in the

Central District of California, shall not constitute a determination by this Court that jurisdiction or venue for purposes of trial is proper.

**V. EFFECT OF FILING ON STATUTE OF LIMITATIONS**

The defendants agree that the filing of a complaint directly in this Court pursuant to this Order shall stop the running of any statute of limitations, statute of repose, or prescriptive or preemptive period to the same extent as if the complaint had been filed in a court of appropriate jurisdiction and venue on the date of direct filing in this MDL, even if an ultimate determination is made following the conclusion of this MDL that the presumptive designated district court alleged in the complaint lacked personal jurisdiction over defendants or was an improper venue.

**VI. CHOICE OF LAW**

The parties' agreement to this Order and the designation of a presumptive district in a direct-filed complaint shall have no impact on the choice of law that would otherwise apply to an individual action, including the statute of limitations that otherwise would apply to the individual case had it been originally filed in another court and transferred to this Court pursuant to 28 U.S.C. § 1407, and does not constitute a waiver of or agreement to the application of any choice of law principles as to a particular Plaintiff's action.

**VII. ELECTRONIC FILING OF COMPLAINTS**

All complaints must be filed electronically using this District's CM/ECF system. Filing of a complaint in this District requires the completion of Form CM-010 Civil Case Cover Sheet which can be found here: <https://www.cacd.uscourts.gov/court-procedures/forms>. Before any Plaintiff's attorney files a complaint in this District pursuant to this Order, that attorney must become a Central District of California CM/ECF User. All forms and instructions may be found on the Court's website at <https://www.cacd.uscourts.gov/e-filing/electronic-filing-and-case-access-attorneys> as modified by PTO-1 and PTO-3.
