**ORDER**

In light of the ongoing settlement registration process and the ongoing summary judgment schedule in the Pilot cases, the Court does not see a need to hold a Case Management Conference (“CMC”) in October or November; however, for now, the December 18 CMC will remain on the Court’s calendar, subject to change if necessary.

Accordingly, the CMCs scheduled for October 16, 2026, and November 20, 2026, are **CANCELED**. Written status updates are due from Leadership, the Data Administration Subcommittee, State-Federal Liaison Committee, and BrownGreer by **12:00 p.m. (CT) on Friday October 16 and November 20, 2026**, and also on **Monday, December 14, 2026**.

**SO ORDERED** this 24th day of September, 2026.
