UNITED STATES JUDICIAL PANEL
on
MULTIDISTRICT LITIGATION

IN RE: ABBOTT LABORATORIES SPINAL CORD STIMULATOR PRODUCTS LIABILITY LITIGATION **MDL No. 3194**

(SEE ATTACHED SCHEDULE)

CONDITIONAL TRANSFER ORDER (CTO −1)

On October 2, 2026, the Panel transferred 7 civil action(s) to the United States District Court for the Northern District of Illinois for coordinated or consolidated pretrial proceedings pursuant to 28 U.S.C. § 1407. *See* MDL No. 3194, ECF No. 54 (J.P.M.L. 2026). Since that time, no additional action(s) have been transferred to the Northern District of Illinois. With the consent of that court, all such actions have been assigned to the Honorable Lindsay C. Jenkins.

It appears that the action(s) on this conditional transfer order involve questions of fact that are common to the actions previously transferred to the Northern District of Illinois and assigned to Judge Jenkins.

Pursuant to Rule 7.1 of the Rules of Procedure of the United States Judicial Panel on Multidistrict Litigation, the action(s) on the attached schedule are transferred under 28 U.S.C. § 1407 to the Northern District of Illinois for the reasons stated in the order of October 2, 2026, and, with the consent of that court, assigned to the Honorable Lindsay C. Jenkins.

This order does not become effective until it is filed in the Office of the Clerk of the United States District Court for the Northern District of Illinois. The transmittal of this order to said Clerk shall be stayed 7 days from the entry thereof. If any party files a notice of opposition with the Clerk of the Panel within this 7−day period, the stay will be continued until further order of the Panel.

Inasmuch as no objection is pending at this time, the stay is lifted.
